Workshop Highlights:

- Targeted at medical doctors working at local A&E.
- Face-to-face instruction on using commercial statistical softwares such as Microsoft Excel®, IBM SPSS® and RStudio® to perform data analysis.
- Application oriented, with small class teaching and hands-on practicums.

Prerequisites:

- Basic math knowledge and IT skills;
- Bring your own laptop with the softwares installed.

When Coffee Meets Emergency Forensics: A Dialogue with Dr Philip Beh on 16 May 2023

Dr. Philip S.L. Beh has worked in the area of forensic medicine since 1982. Dr. Beh is the co-founder of RainLily, Hong Kong’s first multidisciplinary rape crisis centre. As emergency physicians, it is not uncommon for us to have come across sexual violence victims. Dr. Beh’s sharing will surely improve our understanding in forensic emergency. During the coffee tasting workshop, our barista will introduce several types of coffee beans. You can take the chance in gaining new knowledge in both coffee and forensic emergency in the upcoming event.

Date: 16 May 2023

Time: 3:00pm to 5:30pm

Venue: Hare, Arbour, 2 Tak Shing Street, Jordan

Fee: HKD \$50

Quota: 30 participants (on first come, first served basis)

CME: 2 Cat B TP

Please click [here](#) or scan the QR code to fill in the google form for registration, and upload proof of payment on or before 30 Apr 2023.
