

Unveiling Emergency Dental Care - Visit to HKU IAD-MSc

The visit to HKU Institute for Advanced Dentistry Multi-Specialty Clinic was fruitful. Not only did we explore their state-of-the-art facilities, but also we learnt from experts on dental emergencies and oral and maxillofacial traumas.

Mental First Aid Workshop on 23rd March 2024

We are honored to have sharing from Dr Roger Ng, the immediate past President of Hong Kong College of Psychiatrists, on “Enhancing Mental Resilience and Early Intervention of Mental Health Issues”.

Private Emergency Physicians’ Chapter Event on 22nd March 2024

We have invited Prof Stephen Huang from the University of Sydney NICCER and Mr Anthony Wald, the president of the Australasian Sonographers Association, to share with us the topics on Critical Care Echocardiogram and the application of AI in Emergency USG.

Certificate Program in Clinical Toxicology

It's a very interesting course that covers common knowledge in toxicology for all clinicians. Glad to see 15 doctors from different specialties completed the course.

Statistics Workshop for Emergency Physicians 2024

The workshop has been commenced on 13th March 2024. It targets doctors who are working in Accident and Emergency in Hong Kong with face-to-face instruction on using commercial statistical softwares e.g. SPSS ® to perform data analysis.
