

First Greater Bay Area Emergency Medicine Conference and 8th Hong Kong Shenzhen Emergency Medicine Conference

The Conference titled “Joins Hands for Regional EM Collaboration” was held on 24-26 May 2024, with an aim to strengthen regional collaboration and promote talent development in the Greater Bay Area (GBA). President of Hong Kong College of Emergency Medicine Dr Clara Wu officiated at the Conference, expressing her full confidence in the continuing efforts to advance talent progression and exchange with the GBA partners, striving to inject new impetus into the country's high-quality EM and overall medical development.

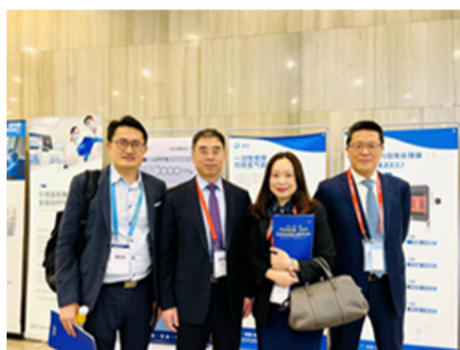

The Conference brought together international and Mainland leaders from political, business and academic sectors to participate and share their insights on EM-related topics, coupled with the strong support from our co-organisers and supporting partners, and concluded smoothly. Dr Wu thanked the Organising Committee, particularly the Hong Kong Society for Emergency Medicine and Surgery, for their tireless work to make the Conference a great success.

Peking Union International Summit for Emergency Medicine 2024 (PUISEM 2024) on 13th Apr 2024

President Dr Clara Wu led a delegation to Beijing adding PUISEM 2024. The forum themed “Inheritance, Innovation and Development” focused on Emergency Medicine-related topics. Dr Wu hoped for stronger ties and closer collaborations among Emergency Medicine professionals, in particular talent development.
