### THE ADVANCE DECISION ON LIFE-SUSTAINING TREATMENT ORDINANCE 《維持生命治療的預作決定條例》

The Ordinance was passed by the Legislative Council and expected to come into effect by June 2026.

The principle of “cautious making, easy revoking” is adopted for patient advance decision documents.

### THANK YOU TO OUR EMERGENCY PHYSICIANS

The Hong Kong College of Emergency Medicine extends heartfelt gratitude to all emergency physicians who have responded with unwavering dedication during the devastating fire incident in Tai Po. Your tireless efforts in the face of adversity have been nothing short of commendable.

In the wake of this tragedy, you have worked around the clock, showing immense courage and compassion as you treated countless patients. You held the weight of a city's heartbreak on your shoulders and treated every patient with dignity and care. Your strength reminds us all the power of human kindness.

We commend your resilience, teamwork, and professionalism during such challenging circumstances. Your ability to remain calm under pressure, coordinate with emergency services, and support each other exemplifies the true spirit of emergency medicine.

Thank you once again for your commitment to saving lives and for being a vital part of our healthcare system. Together, we will continue to serve our communities with compassion and excellence.
